

DEPARTMENT OF INFRASTRUCTURE

The Hon. Member for Douglas Central, Mr Thomas, to ask The Minister for Infrastructure:

If she will list the 140 locations referred to in the 20mph Project Implementation Plan (GD 2025/0026) as having been identified by 2021 as needing some form of physical carriageway change to achieve a self-enforcing 20mph speed limit; and what if any changes have been made in those locations since they were so identified.

Question W-202501-1663 published on 26 06 25; Answer received on 15 07 25.

The Minister for Infrastructure (Dr Haywood):

The Department's 20 mph Project Implementation Plan (GD 2025/0026) referenced 140 distinct locations across 123 roads—including some roads with more than one identified feature—where physical carriageway modifications (such as chicanes, narrowings, raised tables or gateway treatments) were initially considered necessary to support self-enforcement of 20 mph zones as assessed in 2021. However, no physical carriageway alterations have been delivered at any of those locations, as the necessary capital funding was not allocated in the original project budget.

The roads identified in 2021 as requiring traffic calming measures are as follows:

Area	Roads identified for traffic calming	No.
<i>Jurby</i>	<i>Bretney Road</i>	<i>1</i>
<i>Sulby</i>	<i>Yn Claddagh Carrick Park Yn Arrey</i>	<i>3</i>
<i>Ramsey</i>	<i>Queens Pier Road Queens Drive Queens Drive West Queens Drive East Lheaney Road Crescent Road Brookfield Avenue Bircham Avenue Mooragh Promenade North Shore Road Park Road Grove Mount Richmond Road</i>	<i>13</i>
