The Hon. Member for Onchan, Ms Edge, to ask The Minister for the Treasury:

How much has been paid by each Government Department, Office and Statutory Board in each year since 2017 to companies in a) the Island, b) the UK and c) elsewhere.

Question **W-202501-1958** published on 04/11/2025; Answer published on 18/11/2025.

The Minister for the Treasury (Dr Allinson):

The information provided is for the 2017/18 to 2024/25 financial years and up to 10 November 2025 for the 2025/26 year.

The data has been extracted from within the Government financial system and includes all suppliers (companies, partnerships, sole traders). It does not distinguish between revenue, capital or other spending.

The summaries do not include information in respect of the Isle of Man Post Office or Manx Utilities Authority, which use separate financial systems from the Central Government accounting system.

The information does not include inter-department spending and payments made through Government purchase cards as this is not recorded on an individual supplier basis within the accounting system.

“No Department Structure” represent amounts that have been posted to the financial system without a full cost centre reference included.
