This item has not had 4 weeks on the Register of Business.

The Hon. Member for Douglas Central, Mr Thomas, to move –

That Tynwald is of the opinion that the Council of Ministers should publish by the end of November a Government document for debate in Tynwald which sets out a) the current challenges and opportunities that face the Island and b) a prioritised policy agenda, action plan and legislative programme to address them; with annual reviews and revisions being laid for debate and approval each October thereafter.
